Comments:

Thank you for your help today. As we discussed, I am sending a Request for Corrected Filing Receipt, along with supporting documents to you. We sent 10 drawing sheets with the initial filing of this application on October 6, 1999, and the filing receipt indicates only 9 drawing sheets. We would like to confirm that the Patent Office indeed does have 10 drawing sheets. We also noted that one of the inventor's names was misspelled. Please feel free to contact me at (617) 248-7026 or Daniel Wilson (Reg. No. P-45,508) at (617) 248-7226, who is of record in this case (see enclosed copy of Associate Power of Attorney), if you have any further questions.

Very Truly Yours,

Christopher W. Stamos
Reg. No. 35,370

This facsimile is subject to attorney-client privilege and contains confidential information intended only for the person(s) named above. If you have received this facsimile in error, please notify us immediately by telephone and destroy the original transmission without making a copy.

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the PTO processes the reply to the Notice, the PTO will generate an ther Filing Receipt incorporating the requested corrections (if appropriate).
